

“DIY Consciousness”

A Guided Meditation Series, Getting Consciousness with Rachel Collier

Tuesdays, 6pm – 8pm, September 5th through October 24th 2017

This series of Angelically Guided Meditations will help to raise individual consciousness. Each week a new topic related to consciousness will be presented along with specific meditation. No prior experience necessary. These integrated guided meditations are great for beginners as well as for advanced spiritual workers. Each week will take you to a new step of your personal spiritual journey:

September 5th - Meaning of Life and Purpose

September 12th - Grounding

September 19th - Chakras

September 26th - Healing Money Issues

October 3rd - Let It Go!

October 10th - Consciousness Love

October 17th - Finding our Spirit Essence

October 24th - Christ Consciousness (a scientific term) that refers to amount of Chrism Oil that resides in everyone that rises as your consciousness grows

Purchase a single workshop ticket for \$25, a package of 6 for \$125, or all 8 workshops for \$150.

Rachel Collier is a registered Reverend of Universal Life Church, a 1st Dan Master of Rainbow Reiki, a Licensed Angelic Teacher & Healer, and Master de Usui Reiki. She has been studying world religions and healing since the age of 10. She believes deeply in combined learning; by working together “I will assist you in reconnecting to the Earth, to the guides, to guardian angels, and to yourself. True consciousness comes from within, it is a “do it yourself” journey. Let me help guide you through your next meditation to higher dimensions and to the greatest healing love.” R. Collier
