

# "New Moon Solar Eclipse Celebration"

Claudia's moon-powered astrology is your cosmic compass for  
soulful beauty and radiant living

Monday, August 21<sup>st</sup>, 2017 from 5:45pm – 8pm

The New Moon on August 21st is accompanied by a rare celestial event. For the first time in 99 years, a total solar eclipse in heart-centered Leo will be visible on a path that stretches from Oregon to South Carolina! Solar eclipses open a window of opportunity as new light and new information are popped into our lives and hearts. Live deliberately... come celebrate with us and discover how to maximize these energies for fulfillment and success.

This amazing solar event explores:

- How to tune into the energies in sacred circle and what they mean for you.
- How to navigate through a magical process called "feelization" that will align your frequency and fast-track your intentions.
- How to plant deep seeds in your consciousness that will sprout and grow new life over the next six months and then unfold over the next 19 years.

Tickets are \$25. Please call our Concierge at (760) 834-7070 to R.S.V.P. for this workshop.  
Bring a blanket/pillow for comfort, and honor yourself and be on time.
