The State's Salton Sea Management Program (SSMP) is developing plans to reduce dust from exposed lakebed around the Salton Sea. The purpose of the meetings is to provide updates on the Salton Sea Management Program and other relevant topics and solicit community input on development of a Dust Suppression Action Plan.

Please learn the facts, engage and give input to help us create a community-driven plan.

**Community meeting
Complimentary food
and beverages provided**

Stay tuned for additional meetings in the southern and eastern areas of the Salton Sea in early 2020.

Sponsored by the California Natural Resources Agency, the California Department of Water Resources and the California Department of Fish and Wildlife.

WE HOPE TO SEE YOU THERE!
