*Thank you for your generous gift.
All gifts are tax-deductible.
Tax ID number : 95-1742174*

Evening view from Badlands

Contact Kimberly Starrs at kstarrs@uwiv.org 760-880-7692 or Corinne Awad 951-486-3356 cawad@rivco.org for sponsorship packages.

*Your generous gift has the ability to make a huge difference. Your gift could provide equipment and resources like the following:

\$5,000 – a vein viewer to help our littlest NICU, PICU and Pediatrics patients when it’s time to get a shot, IV line, or other ‘poke’

\$2,500 – a new camera for the Child Abuse & Neglect Unit

\$1,500 - privacy screens and nursing support for the Neonatal Intensive Care Unit

\$500 –a new book for every child discharged from Pediatrics for a month to support literacy

*All gifts are subject to RUHS Department of Pediatrics needs at the time the gift is received. These examples are provided to illustrate how far your gift goes to support RUHS’s littlest patients!

Since 1989 the County of Riverside has partnered with United Way of the Inland Valleys as our fiscal agent for the Riverside County Employee Campaign. The Employee Campaign works to unite employees, provide awareness, donation opportunities, volunteer and champion causes that matter to them. Since being a part of the county also means being part of a community, money donated to the Riverside County Employee Campaign goes to your community, your local non-profits and to help those around you.

This year’s event is the **“Landfill After Hours, An Evening of Giving”** benefiting the most vulnerable population within the county, our children. All donations will benefit the Riverside University Health System, Medical Center Pediatric Department.

The mission of RUHS Foundation is to foster friends and inspire philanthropic support for the needs of Riverside University Health System.

RUHS Foundation was established in 1989 as a nonprofit philanthropic organization. For nearly three decades the Foundation has collaborated successfully with donors and stakeholders to support RUHS Medical Center’s role as a public teaching hospital and safety net provider. Our founders were inspired by the medical center’s work with kids, particularly in the area of child abuse and neglect, and over the years that commitment has grown and evolved to include much more. RUHS Foundation is proud to support RUHS Behavioral Health and Public Health agencies and the system’s 12 community-based health clinics with a goal of serving and safeguarding the county’s 2.35 million residents.

Landfill After Hours **April 30, 2020**

An Evening of Giving
